

EXCLUSIVE OFFER:

Upgrade Your Home Control Experience with the Latest From ELAN

UPGRADE YOUR EXISTING ELAN SYSTEM.

Save 20% on system upgrades now through March 31, 2019.

To thank you for being a loyal customer, we have partnered with ELAN to offer you this exclusive limited time opportunity. Upgrade your ELAN system now and receive 20% off ELAN's award-winning system controllers and user interfaces, as well as to other components and speakers from the ELAN family of brands at Nortek Security & Control.

ELAN continues to reinvent home entertainment and control, with a personalized experience of unmatched convenience. ELAN's latest touch panels and remotes make it easier than ever to enhance your lifestyle, with a consistent experience across all your devices—even your favorite mobile phone or tablet.

Upgrade to the latest in home control from ELAN

- New remotes: the HR30 and HR10.
- New surveillance cameras and network video recorder options to give you added peace of mind.
- New thermostats and remote sensors for maximum comfort and climate control.
- Voice control with Amazon Alexa.
- New Sonos® control integrated into your ELAN system.
- Remote access—and mobile device access—to put you in total control. Set thermostat schedules while you are away, check the security system from across town or around the world.

20% OFF

Upgrade from any ELAN System

The scalable and “future ready” ELAN control system makes upgrading a seamless experience. Here’s a sample of what you can do with your new ELAN system:

Have an ELAN HC Series System?

- Update to the new ELAN Intercom.
- Add or update music streaming services.
- Add enhanced Audio/Video distribution.
- Add or update your security systems integrating high definition surveillance cameras.

Have a HomeLogic System?

- Step up to enhanced interfaces, features and music options.
- Add an on-screen interface, turning any TV into a home control center.

Have an ELAN VIA! System?

- Upgrade your VIA! panels to the new, state-of-the-art in-wall touch screens and intelligent handheld remotes.
- Add features and subsystem control to integrate all your entertainment, security, climate, lighting, irrigation and pool/spa control, with history and monitoring to help you economize.
- Enjoy one-touch access to your home from virtually anywhere in the world using your favorite mobile device.

Your World, Made Simple™

ELAN integrates with the leading subsystems to deliver maximum convenience.

From lighting, shades and other climate control to outdoor irrigation and control of your pool and spa, ELAN connects what’s important and personalizes it to your needs.
